BE SAFE

Incidents of criminal activity in the campus area are not new, but serve to remind us that we cannot become too complacent with what is familiar. We offer these recommendations:

- Always be aware of your surroundings!
- There is safety in numbers. If you are here after dark, stay with a group of people and never walk out of the building alone.
- Do not allow a stranger into your vehicle.
- Always lock your vehicle. Place all valuables out of sight.
- Do not leave valuables unattended in the building, even during the Eucharist.
- Pay close attention to your children's whereabouts at all times.

It requires all of us working together to create a safe and secure environment that will provide a welcoming place for worship. And we pray that those who choose to worship here will experience the spirit and love of our Catholic community.

Hecker Quotes

What peace and happiness it gives me
to live alone for God's love and to love all for His love,
in His love and with His love.
